## Junior Festival Auditions: Scale Requirements

The Chromatic scale, played within the range designated below, should be slurred ascending and tongued descending (except trombones and percussion). Trombones: Legato tongue ascending and staccato tongue descending. Chromatic scale must be played in sixteenth notes at tempi indicated below (quarter note=one beat).

Tempo for major scales is MM quarter note=88. Rhythm: two eighth notes slurred.

All scales must be memorized. The chart below clearly defines the major scales and octave range required for each instrument.
